

Stainton Parish Council

On behalf of Stainton Village Hall Trust

WiFi Terms of Use

In using the Stainton Village Hall WiFi you accept and agree to abide by the following terms of use. If you fail to do so your right to access the WiFi at Stainton Village Hall may be withdrawn without notice or explanation

Stainton Village Hall WiFi is provided for free use by users of any of the facilities at Stainton Village Hall

Users may access the WiFi while they are in the hall or on the outdoor decking to the rear of the hall.

Users must observe a fair use policy and avoid online activities that will hog an unreasonable share of bandwidth for an extended period of time to the extent that it prevents other users from gaining reasonable access to the WiFi service

Users accept that while using our WiFi you do not damage the reputation of Stainton Village Hall for example by associating us with sexist, racist, extremist or other similarly antisocial views

You may not defame someone or damage their reputation in any way or comment on an active lawsuit while using Stainton Village Hall WiFi

You must not attempt to upload, **download** or post anything offensive or obscene while using Stainton Village Hall WiFi

You must not participate in any abusive behaviour on social media while using the Stainton Village Hall WiFi

You must not participate in any illegal activity of any kind using Stainton Village Hall WiFi

You agree to abide by the terms of use set by our Internet Service Provider which can be read at this URL

<https://www.bt.com/acceptableuse>

Access to the internet using Stainton Village Hall WiFi is entirely at the user's own risk. No liability can be accepted by Stainton Village Hall

Sites including gambling, pornography, political extremism or various other unsuitable content categories may not be accessed using Stainton Village Hall WiFi

You consent to the possibility that any users activity on the network may be monitored from time to time and anyone found to be misusing the facility will have their access blocked

Stainton Village Hall intends that our WiFi should provide internet access for adults and children of all ages.

Where parents are accompanying their children at Stainton Village Hall then it is assumed they are responsible for their children's internet activity using the WiFi.

If children under 18 years of age attend Stainton Village Hall events without their parents then if they access the internet from their own device it is assumed that they do so with the full consent of their parent(s) or guardian(s).

We strongly recommend parents and guardians supervise their children's activities where possible, to ensure they're acting responsibly online and don't over-share information with others. For more details on protecting your children please see www.internetmatters.org

Stainton Village Hall will take all reasonable efforts to ensure it is not possible to access unsuitable websites using our WiFi.

Stainton Village Hall Committee reserves the right to withdraw the public WiFi provision at any time.

Stainton Village Hall Committee reserves the right to withdraw WiFi access to any individuals should they be deemed to have been in breach of any of these conditions of use.
